Have a question about the Employee Giving Program or need help with your donation? Click here to contact our Corporate Giving team.

Log on tips:

Use single sign-on to log in when on the company internet.

Your WestRock Network ID is the login name you use to access WestRock devices and the network.

Don't know your Network ID? Try first initial and last name or check with your manager or local HR representative.

If you have not previously applied for a grant, click on 'First time user' to create a password.
